check in

You are welcome to arrive as early as 30 minutes prior to your appointment to enjoy a steam (a steam room is located in each locker room), work out in our fitness center (with 24-hour guest access), shop in our Spa retail boutique, or unwind in our relaxation area. Robes and spa slippers are provided. Late arrival will limit the time of your appointment. If we are unable to perform the treatment to our standards in the time remaining, the service will not be performed. In both cases, the full value of the service will be charged.

we kindly request

Cell phones, pagers, and persons under the age of 16 are not permitted in the spa areas. Please advise us if you are pregnant or have other significant health concerns when booking any treatments. We reserve the right to refuse service to anyone appearing to be under the influence of alcohol. Your therapist may terminate the service, without a refund, for any use of inappropriate language or actions. We recommend that you do not bring valuables to the spa.

cancellation policy

For everyone's convenience, 24 hours notice of rescheduling or cancellation of an individual Spa appointment is required. Patrons cancelling with less than 24 hours notice will be charged the full rate for all treatments booked. Appointments not kept will be charged the full value of the services booked. We do require 48 hours' notice of cancellation or rescheduling for all or part of any of our package treatments, or for parties of three or more guests, to avoid a full charge for all services cancelled. Prices and services are subject to change without notice.
